passion for teaching again at
www.goTea.ch

www.goTea.ch is a new educational recruitment website, which is designed to make it easier for schools of all sizes to advertise online and attract great teachers and support staff.

- Place unlimited job adverts online for your school all year round.
- Enjoy utmost convenience at your fingertips. Place, edit, update, archive or even re-issue your adverts at any time - you are in full control.
- Showcase your school in a professional manner - instantly.
- Attract high calibre teachers and support staff.
- Very affordable annual subscription of just £250 (plus Vat).
- Gain significant savings using www.goTea.ch - put that money to better use.
- It's easy to join and simple to upload your adverts
- *Sign up now - it only takes a few minutes.*

www.goTea.ch is a new educational recruitment website, which is designed to make it easier for you to find your next job, whether you are a teacher or you work in a support role in school.

- Search for vacancies by academic discipline; by position; by location; or by any combination of these.
- Look for jobs near where you live or where you would like to live.
- Save selected adverts for later viewing and print a copy of the advert for your own use.
- Apply directly online to the school of your choice by uploading your CV or completed application form. You can even send the school a link to your Linked In profile.
- Share your chosen adverts with your friends and family on Facebook and Twitter and get feedback from them before applying.
- *Find the right school for your talents now.*
